Bid or Expiration Date:
N/A

Company:
C & C Courts, Inc.

Amount of Quote or Bid:
\$55,440.40

Recommended Quote or Bid:
C & C Courts, Inc.

General Information:

Staff recommends utilizing National Joint Powers Alliance pricing for the purchase of the Sport Court Suspended Sports Surface to be used for a Futsal Court. The Futsal Court would be installed inside the boards and glass of the Braemar Backyard Rink. This site is desired because of the restrooms, concession stand, roof and other amenities at Braemar Arena already in place.

Futsal is a variation of soccer that is played on a smaller field/court and mainly played indoors. This sport is growing fast as athletes are benefiting from smaller versions of games in all sports and are quickly improving their skills. In soccer, the more ball touches an athlete has the more skills are being developed. Futsal was developed in Brazil in the 1930s and 1940s. The Edina Soccer Club will use the facility as a practice facility; however, will also seek to host two tournaments this season and possibly even more in the future. Braemar Arena staff will work to run recreational programs and tournaments and sell additional time not used by ESC. Braemar Arena is also looking to maintain increased concession revenues generated by the Backyard Rink this past winter.

The proposal includes purchase, delivery and installation of the Futsal Court.

This item is budgeted through a Restricted Donation made to the city by the Edina Soccer Club. If approved by City Council, the company will deliver and install the flooring in May or June of 2015.

This item is marked "Not Within Budget" because it was not included in the 2015 City of Edina budget.
